ARTICLE 5
CONFIDENTIALITY AND NON-COMPETITION

5.1 Maintenance of Confidential Information. The Director acknowledges that in the course of its appointment hereunder the Director will, either directly or indirectly, have access to and be entrusted with information (whether oral, written or by inspection) relating to the Company or its respective affiliates, associates or customers (the "Confidential Information"). For the purposes of this Agreement, "Confidential Information" includes, without limitation, any and all Developments (as defined herein), trade secrets, inventions, innovations, techniques, processes, formulas, drawings, designs, products, systems, creations, improvements, documentation, data, specifications, technical reports, customer lists, supplier lists, distributor lists, distribution channels and methods, retailer lists, reseller lists, employee information, financial information, sales or marketing plans, competitive analysis reports and any other thing or information whatsoever, whether copyrightable or uncopyrightable or patentable or unpatentable. The Director acknowledges that the Confidential Information constitutes a proprietary right, which the Company is entitled to protect. Accordingly the Director covenants and agrees that during the Term and thereafter until such time as all the Confidential Information becomes publicly known and made generally available through no action or inaction of the Director, the Director will keep in strict confidence the Confidential Information and shall not, without prior written consent of the Company in each instance, disclose, use or otherwise disseminate the Confidential Information, directly or indirectly, to any third party.

5.3 Developments. Any information, data, work product or any other thing or documentation whatsoever which the Director, either by itself or in conjunction with any third party, conceives, makes, develops, acquires or acquires knowledge of during the Director's appointment with the Company or which the Director, either by itself or in conjunction with any third party, shall conceive, make, develop, acquire or acquire knowledge of (collectively the "Developments") in the course of performing the Services under this Agreement and during the Term or at any time thereafter during which the Director is engaged by the Company that is related to the Company's business of developing and commercializing its technologies and intellectual property regarding clean energy, renewable power plants and emission control shall automatically form part of the Confidential Information and shall become and remain the sole and exclusive property of the Company. If the Company is for any reason unable, after reasonable effort, to secure execution by the Director on documents needed to effect any registration or to apply for or prosecute any right or protection relating to the Developments, the Director hereby designates and appoints the Company and its duly authorized officers and agents as the Director's agent and attorney to act for and in the Director's behalf and stead to execute and file any such document and do all other lawfully permitted acts necessary or advisable in the opinion of the Company to effect such registration or to apply for or prosecute such right or protection, with the same legal force and effect as if executed by the Director.

5.5 Remedies. The parties to this Agreement recognize that any violation or threatened violation by the Director of any of the provisions contained in this Article 5 will result in immediate and irreparable damage to the Company and that the Company could not adequately be compensated for such damage by monetary award alone. Accordingly, the Director agrees that in the event of any such violation or threatened violation, the Company shall, in addition to any other remedies available to the Company at law or in equity, be entitled as a matter of right to apply to such relief by way of restraining order, temporary or permanent injunction and to such other relief as any court of competent jurisdiction may deem just and proper.

5.6 Reasonable Restrictions. The Director agrees that all restrictions in this Article 5 are reasonable and valid, and all defenses to the strict enforcement thereof by the Company are hereby waived by the Director.
